We all know how much Polly loved pink and purple. We encourage you to wear one of these colors in honor and celebration of Polly on Wednesday.

I am looking to see if anyone has a photo or video you can share of Polly and friends dancing down the aisle of the sanctuary in May. Please upload the photo(s) or email me a video to office@wesleyworc.org.

Also, if you have a favorite photo of or with Polly, please share it here for the Memorial Video Tribute. You can upload photos from your phone too!
