Knock, Knock Who's There? ...

I read an article this week that said what if your friend forgot how to answer that door and instead said "Its late and we are already in bed!" What would happen if we kept knocking on the door?

Jesus teaches us...**"Everyone who knocks will have the door opened to him."** - Luke 11:9-10

This reminded me of how our Sunday School Children worked hard to present their Palm Sunday Song in a fun way to all of you. No, it is not traditional to jump around in the middle of service. However, by taking the moment to preform it this way it taught the children how God loves them for who they truly are each day. While also still teaching them our faith, and bible history.

My hope this Spring is to help the children to continue **"knocking on doors"** to share some of that extra special joy they have with others. This month we will begin the first steps of this year's Sunday School Mission project. We will talk over what ideas they may have, and for who they feel needs the most help to hear God's love for them.
