No Sunday School- **September 1<sup>st</sup>**

Register for the "2024-2025"

Sunday School Year- **September 8<sup>th</sup>**

### **VBS Mission Update**

The children's mission project went well this year. We met six of the farm's rescue rabbits on Friday August 2<sup>nd</sup>. We were able to give the Farm \$184 dollars from the special offering the children collected in July. As well as a few enrichment toys and healthy snacks to the rabbits that day. If your child was unable to attend VBS this year, you are always welcome to Facebook message Jen or Beth to set up a time to visit. The Family Farm Education Center is located at 833 New Braintree Road Oakham, MA.

***The months of July and August have been super busy for the children...***

*Four of our children enjoyed a weekend away at Mission U located in New Hampshire. They were accompanied by four other children from different churches and had plenty of room in their classrooms for more children to join along next year. (Watch for next year's UWF trip's details).*

*Along with our full week of VBS evenings, we also passed out 36 Bible Buckets to children ages 2-14 yrs this summer. The children have slowly been checking off the activities listed for them. As a reminder this is not a homework assignment it is meant to be fun, and to fill in some learning time during the summer months to help grow their faith. Each child is welcome to return their checked off list for a special prize any Sunday in September. (Let me know if your child needs a new copy of the list).*

*Lastly, our Prayer learning weeks have been great fun this summer. The children have also worked on making a special Devotional that will be available at next week's Children's Harvest. We will have a few blank pages included in each one, along with instructions for each Prayer activity for any children that were absent during the days we worked on these this summer.*

*I hope everyone can enjoy their last couple of days of summer fun! -Rhianna*
