

November 2024

WESLEY SUNDAY SCHOOL NEWSLETTER

Upcoming Events

December 1st- Community Breakfast will have a special visit from Santa. More information to follow shortly!

December 8th- Worcester Art Museum Field Trip.

Register your child by

November 17th. Permission slips will start coming home November 3rd.

Volunteers needed!!!!

All children 5-18yrs are invited to attend our field trip. Our Infants through Preschoolers are also welcomed to join us with their guardian.

It's hard to believe...

We are flying through the fall Moses curriculum! So far, the Ten Plagues with (candy) hand boils and millions of frogs (stickers) has been our favorite story. Although I'd say the (Jello) Red Sea parting was a close second for all!

This week Sunday School will start learning about the Ten Commandments. Which will end our unit just in time for our Field Trip to the Worcester Art Museum on Sunday December 8th. Among the museum's many exhibit hall rooms we would specifically like to view their Egyptian Room. As well as attend their annual Hanukkah at the WAM event. To help us connect any ancient artwork, history, geography, or cultural customs back to one or more of Moses' stories. We are very excited for this field trip and would love for any extra volunteers to go with us. This will be a free event, thanks to the museum's funders.

Sunday School children and teachers have also begun the first talks about how we would like to share out our Christmas play this year. So far, the children would like a modern, comedy, musical instrument, nativity play, that nobody talks or sings in, LOL! We can't wait to see what we pull together for everyone this year.
