Happy Spring...

Have you taken a moment to notice the new plant buds, and leaves on the trees in the last week? I love taking a moment to stop and admire the amazing world God has made for us each season.

Our Sunday School classrooms took a moment to enjoy a drizzly morning walk outside, so we could search for signs of God during one of our Ten Character Traits of Jesus lessons. We split up into a few small groups, then we very happily searched and announced our findings of the feeling of wind on our faces, cold rain on our hands, we could even hear the difference of two Blue Jays and a Robin singing among the trees.

We then came back inside and made mini canvas drawings, or paintings of our time together. Some artwork is what the children experienced that day, some artwork is what they remember from warmer days, some artwork is what they wish they could see. We will display these art pieces in Brewer Hall on Easter Morning.

As our 10-week lesson comes to an end this month. Sunday School will also participate in an easy recipe cooking day this week. We will head to the kitchen to make the Congregation a special treat for our Palm Sunday time with all of you this year.
