### ***Another School year comes to an end...***

*During the last month Sunday School worked on Bible sensory exploring. Using one of our five senses each week we developed a deeper understanding of Jesus' disciple lessons through fun hands on science learning. We started with the story of Thomas believes John 20:24-31, using our sense of SIGHT and ended the five weeks with the story of Jesus and Peter's story in John 21:15-19 using our sense of HEARING.*

*Hearing was the perfect way to end, as it also allowed room for the children to express to us their next hopes for what they would like to learn about this summer and fall. During the Summer months we will explore more music ideas within our Bible Stories and share our talent this August.*

*Sunday School families are now welcome to register their child/children for this year's Vacation Bible School. Our Mission project for this year will be fun road trip bags for Central Massachusetts foster children. These bags will help keep them busy while they travel with their social workers to parent visits, dr appointments, schools, or even in between foster housing arrangements.*

*There will be a special meeting for VBS Volunteers on Saturday June 21<sup>st</sup> 10am-11am in the Sunday school classroom. A reminder message will be emailed out later this week. If you would like to volunteer with any part of VBS please message me at [education@wesleyworc.org](mailto:education@wesleyworc.org)*
