

September 2025

WESLEY SUNDAY SCHOOL NEWSLETTER

2025 VBS Review

In July we had 35 children, and 15 volunteers experience our fun filled Vacation Bible School activities week.

We accomplished science projects, crafts, bowling games, pretend car washes, car races, and movie drive-in Bible Stories.

We invite the congregation to view pictures from our week on the education Bulletin Boards in Brewer Hall this fall.

For our mission project we made fifteen road trip back packs for children in the care of the Central Massachusetts Department of Children and Family Services. These bags will provide a moment of relaxation and fun for children while they travel to and from their family visits, doctor appointments, or even between foster housing arrangements.

Our keychain bible verse message for this year was "The Lord your God is with you wherever you go". -Joshua 1:9

Happy Fall Everyone!

Sunday School families are now welcome to register their child/children for this year's "25-26" Sunday School Season. We kindly ask all families to fill out a registration form each year to make sure all information is current and up to date.

Our Infant and Toddler playroom has spots available for any families ready to have our youngest church members join us upstairs each week.

This year our younger Sunday School children will work with the Big Faith curriculum. While our Middle schoolers will start off the year with a new bible study called Learning to Study the Bible. This Fall our children will work together to decide on a Mission Project, as well as discuss what ideas they may have for a field trip this school year.

Lastly during the months of September-May. I will be taking part in a special virtual training with the Fred Rogers Institute at Saint Vincent College. Called Educators Neighborhood. It is a space to learn, connect, and reflect with a community of like-minded education professionals from around the world. I'm very excited to learn some of Mr. Rogers ideas for helping to support and build connections for today's youth with his faith-based lessons.

If you would like to volunteer this school year. Feel free to reach out to me via email or in person. -Rhianna
