The season of Thankfulness is here....

Sunday School would like to say, "Thank you!" for the October middle school field trip. Pictures from our Bible Scripture Adventure can be found on our education bulletin board this month located in Brewer Hall.

Middle Schoolers are currently finishing up the last lesson of our first Bible Study. Everyone, including our Sunday School Volunteers, enjoyed the relatable lessons and activities. The next Bible Study we will work on, during Advent, is based on the story The Grinch who stole Christmas. Each week's lesson of faith will be connected to the Grinch's heart growing three sizes that year.

Our Younger Sunday Schoolers will continue working with the Big Faith curriculum and have currently completed the God protects us unit and are now finishing up the last of God Shows us the way unit. After each Bible lesson this fall, we continued with more DIY games to help us remember the Bible verses. For example, last month we worked on the story of Josiah and turned the scrolls he found into a knowledge treasure hunt!

Lastly, we have all decided that we would like to make care packages for Worcester Police Officers this year as a service project. We would like to help with their mental health and show gratitude for what they do every day. I happen to have an old friend who works at this department, who is happy to join us one day this Winter to collect the items we have for them. As well as he will answer any questions the children may have about being a City Police Officer. A date for this special visit will be decided shortly.
