Vacation Bible School 2026 -

This year we will once again utilize a survey to see what group of dates work best for volunteers and families this summer. Please see Rhianna to fill out the survey.

Happy New Year!

Sunday School has completed The Heart that Grew Three Sizes Bible study. It provided an easy kid friendly chance for the children to analyze the connections they see in the famous Grinch Story to our Bible stories. Did you know that when Dr Seuss wrote about the Grinch taking the tree back to his workshop to fix the lights on one side. He was referencing that we need the light of Jesus in our world to be better. What would the world be like without light? **The true light that shines on all people was coming into the world. John 1:9** As expected our Wesley Children quickly picked up on Joy in the Who's that continued with Christmas singing, even without all the expected gifts waiting for them that morning. "Jesus is who we celebrate, we don't need the gifts!" - Wesley Children

Sunday School will begin this Winter with working on our community service project for Worcester Police Officers. A set date for my friend Officer Diaz to come visit with us will be sent out in our next newsletter. This date will give Wesley children the opportunity to visit with him, ask questions, give their thanks, and view his police cruiser. We will be providing snacks, hot chocolate packets, a few games, Jesus loves you reminder keychains made by the children, and other little tokens of appreciation for their service. If you would like to donate something to these gift bags let Rhianna know by January 18th.

Sunday School had so much fun at our movie theater day! We want to say "Thank you" to the SPRC for the approving all our field trips the last year, as well as "Thank you" to everyone from our church family who were able to join us on our special day. Stay tuned for more fellowship opportunities.
