VBS Survey Drum Roll.....

This year's Vacation Bible School will be held on Sunday, June 28th during Sunday School hour and on the weekday evenings of Monday, June 29, Tuesday, June 30th and Wednesday, July 1st from 5-7:30pm! Dinner will be served at 5pm.

This special, free four-day event is filled with Bible camp activities and open to any children ages 4yrs-12yrs. Teens and any younger children with their guardians are also welcome to join us each summer. Please reach out to Gary Robinson if you would like to help him with dinner and snacks. Or see me to help with our VBS activities. Sign up sheets will be in Brewer Hall mid-March.

Although we cannot seem to get away from this pattern of cold and snowy weather, this year our Sunday School children have been working hard, in between the storms, with their handmade Lent calendars and Lent plan ideas. We have a few more boards upstairs if any families have not received theirs yet. The children designed and decorated each board. For each board, the children came up with their own Bible verses to read each day, a prayer to focus on during this time, and an idea for what they will help with, collect, or giveaway. They also included goals for how they will celebrate Easter, etc.

Sunday School would also like to send a special "Thank You, Miss TETE!" for showing us how to make cardboard yarn hat candy treat ornaments, last month. They were both adorable and yummy to make! Pictures from her visit will be up later this month on the Education Bulletin Board in Brewer Hall.
