April Showers bring May Flowers.....

Our Wesley Children have made a flower artwork bulletin board upstairs for displaying how Jesus has helped them to Bloom this “25-26” school year. It is an ongoing art piece each child works on as they enter the church throughout the Spring months.

We made sure to have this Spring themed bulletin board up and ready in time for the twenty individuals who took the time to learn the lifesaving trainings in the following areas of Adult and Child CPR, First Aid, Narcan, and AED use this April. Each volunteer completed a test to be certified for the next two years, and we truly appreciate Joanne Gulibicki for being our instructor for this.

Sunday School has begun a new twelve-week nature Bible study with the theme around insects! Last week we examined a live stink bug, then released it out in the parking lot. We read through the Bible Studies memory verse Psalm 19:1 and worked on caterpillar activities during our scripture reading of John 1:35-42.

It is now time for our 2026 Vacation Bible School signups to occur!!!!

Please find our VBS table for this year’s sign-up information in Brewer Hall. Our Mascot is a Seal, and he is waiting to meet everyone for this year’s Bible fun. A forty-five-minute volunteer meeting will be held on May 31st directly after service in the Sunday School room @11:45am.

My experience with the Fred Rogers Institute this year was fantastic, and I have officially signed up for the alumni group for the next school year. Although many of the skills I learned cannot be shared on paper, due to curriculum copyright, I can share his six principles that were a great reminder to me as to why I enjoy working with our Wesley Children each week. Hearing his calm voice and investigating his response letters to adults and children’s questions is something I will always treasure. Thank you everyone for allowing me to have this teaching experience. -Rhianna
