***No Sunday School on June 21st and September 6th**

***Sunday School is in need of summer treats and juice boxes.**

***Children's Harvest is on Aug 30th**

Welcome Summer...

Our Sunday School Children and Volunteers have had a wonderful "25-26" school year! We accomplished two Bible studies, two field trips, and enjoyed a mental health service project for our Worcester Police Department. As well, we made a Springtime bulletin board upstairs reflecting on how Jesus has helped us to bloom during this school year.

We are currently working on week six of our twelve-week nature Bible curriculum with a theme around insects. This week we will look closer at how grasshoppers can be related to the Gospel reading found in Genesis 19: 12-29. Just like the family in this story, grasshoppers are quick on their feet, sense danger, and know how to leap into action! God wants us to leap when we are faced with choices; he wants us to avoid temptation and get away from bad things.

This Summer we also have a few of our new church members interested in working on music and dancing with our children! Please reach out to me if you feel this is an interest to your family so that we can begin scheduling some practice opportunities with them. We would love to have a children's choir back at Wesley!

Vacation Bible School for 2026 is coming up quickly! Our Sunday School families have picked an earlier time frame this year in hopes to avoid the summer heat and family vacations. Please find our VBS table for this year's sign-up in Brewer Hall this month. Children ages 4-12 yrs are welcome as well as our teen volunteers, and younger children ages 3 yrs-birth with their adult guardians present. We look forward to our fun four-day camp starting on June 28th!

We will continue with a two-week summer break to allow our volunteers a rest, and to help give the children a chance to see the difference between what our school year is, and what is our summer fun weeks. Children are welcome to stay with their adults during service on June 21st and Sept 6th.
